

**ELKAY**

Cleaner, **Healthier** Water  
for Schools

Even if it looks clean and pure, that doesn't mean it's safe to drink. With Elkay®, you help ensure that your child has access to fresh, filtered drinking water at school. Our ezH2O® bottle filling stations with filters are certified to reduce lead and other harmful contaminants to help keep kids healthy and hydrated throughout the day.

# One Source — Sustainable Solutions, Healthier Hydration

Elkay products feature WaterSentry® Plus filtration systems. These reliable filters are tested and certified to NSF/ANSI 42 and 53 for the reduction of lead, cysts and other harmful contaminants from incoming water.<sup>1</sup> This ensures you're delivering cleaner, healthier drinking water.

## Filtered Bottle Filling Stations

Our bottle filling stations provide a convenient and healthy hydration solution, with many models now featuring completely hands-free operation. Touch-free sensor activation provides a rapid fill of filtered water without worry of spreading germs. Cleaner water, clean hands, and less plastic bottle waste.

## Filtered Coolers and Fountains

Our water coolers and fountains now feature sensor-activated push bars to activate waterflow. Enjoy filtered water completely hands-free: it's a truly refreshing solution.

## Vandal-resistant Retrofit Kits

Our vandal-resistant water filtration kits are great for use on existing non-filtered water coolers, fountains and bottle fillers and include:

- Vandal-resistant Box
- WaterSentry VII Filter
- Filter Monitor and Alert
- Versatile Mounting Options

EWF3000

## Filtration Solutions

Keep your unit delivering cleaner, healthier water with our replacement water filters. Or convert your non-filtered unit to a filtered unit when you purchase an Elkay Retrofit Filtration System Kit. Our water filters can be installed on:

- Bottle Filling Stations
- Classroom Bubblers
- Coolers and Fountains
- Glass Fillers
- Classroom Sinks
- Faucets (under the counter; cold water only)

Elkay is your single source for filtration solutions, including vandal-resistant retrofit kits, WaterSentry filters and retrofit filtration system kits.
