ELKAY®

ADA-compliant Products

Making life more liveable for everyone.

Elkay® offers a full line of products that comply with the requirements as specified by the Americans with Disabilities Act. Designed to fulfill every relevant aspect of the ADA Accessibility Guidelines, these products help businesses, healthcare facilities and schools meet the requirements of federal law by equipping sites with sinks and water delivery solutions that make facilities accessible to everyone.

ADA-compliant Sinks

- Clearance for maneuverability under and around sink.

- Wide range of sizes and bowl configurations.

- Shallow depth accommodates knee space and improves reach.

- Offset drains offer more usable space while meeting ADA requirements.

- Select models with edgeless Perfect Drain® for a cleaner, more hygienic sink.

- Quick-Clip® mounting system for quick and secure install for stainless steel sinks.

ADA-compliant Faucets

- Easy-to-use lever, electronic, push- or touch-control operation.

- Uses less than 5 pounds of force to activate.

- Metered models remain open for a minimum of 10 seconds.

ADA-compliant Water Delivery

- Wall-hung, vandal-resistant and in-wall architectural unit options.

- Clearance for maneuverability under and around unit.

- Satisfies ADA seated and standing requirements.

- Models to meet adult and child reach-range requirements.
