

Tailored to Your Project

With a variety of modification options available, from steel type to drain location, our Lustertone™ Classic and our commercial-grade hand wash and scrub sinks are ideal sink models for your modification request.

CAPABILITIES

Steel

Standard 304 or 316 for corrosion resistance.

Rim

Raised with drip-ledge for drop-in or flat for undermount.

Gauge

16 or 18 gauge.

Faucet Ledge and Holes

Choose ledge and faucet holes placement.

Bowl Depth

Select how deep or shallow.

Drain Location

Center, rear center, rear left or rear right.

Perfect Drain[®]

Drawn sinks can be modified to have Perfect Drain[®].

Bowl Configuration

Single, double; bowls of equal or different sizes.

Overflow Assembly

Drainage hole can be placed anywhere inside the sink bowl.

Discontinued Models

Recreate discontinued products to fit your project needs.

Let our team of professionals work with you to create stainless steel sinks tailored to your projects.
