

ELKAY

ezH2O Liv™ Built-in Water Dispensers

From Commercial Spaces to the Home. That's Elkay.

ezH2O Liv Home Use

Convenience Beyond the Kitchen

Keep your day moving with a hands-free water dispenser that delivers fresh, filtered water for all the living that happens in your home. Elkay's ezH2O Liv is the first built-in filtered water dispenser designed for the home! It's a convenient addition to any room, from your entertaining space to the master suite, and even the kitchen.

ezH2O Liv includes:

- Water dispenser with tempered glass panel
- Filter box kit with select models
- WaterSentry® 750-gallon NSF certified filter
- Chiller included with select models
- Remote filter cable with select models
- Optional drain connection

ezH2O Liv Pro™ Commercial Spaces

Filtered, Stylish and Sustainable

Serve guests and colleagues cleaner, healthier water in a sustainable way with an ezH2O Liv Pro™. This eco-friendly filtered water dispenser is engineered to accommodate the extra capacity needed in commercial spaces such as lobbies and conference rooms.

ezH2O Liv Pro includes:

- Water dispenser with tempered glass panel
- Filter box kit and remote filter cable; install based on application
- WaterSentry 3,000-gallon NSF certified filter
- Chiller sold separately; various options available, based on application
- Optional drain connection

Experience ezH2O Liv and ezH2O Liv Pro

Elkay® takes water delivery to a new level with ezH2O Liv, a filtered water dispenser designed to seamlessly fit any space. With two versions — one for the home and one for commercial spaces — it's a sleek, convenient addition to any room. ezH2O Liv goes beyond water delivery, offering peace of mind with an NSF-certified filter that reduces lead and other harmful contaminants from water.

Two color options

Aspen White

Midnight

SEAMLESS DESIGN

Fits within the width and depth of two wall studs near water and electric. Includes drip tray with optional drain connection; can connect into existing water line. Designed for new construction or existing spaces.

CHILLER OPTIONS

Unit can be installed with or without a chiller.

Residential Model: Chiller included with select models.

Commercial Model: Chiller sold separately. Various chiller options available, based on application.

FILTERED WATER

Filter is certified to NSF 42 and 53 to reduce lead and other harmful contaminants. Filter status lights indicate when filter changes are needed. Unit can be installed with or without the filter box, based on application.

Residential model: 750-gallon filter

Commercial model: 3,000-gallon filter

BOTTLES SAVED

Backlit LED Green Ticker™ counts the number of disposable, single-use plastic bottles served without the plastic bottle waste.

SENSOR ACTIVATED

Hands-free filling with automatic timed shut off to help prevent accidental spills and messes. Safety lock setting prevents unsupervised use.

CONVENIENT AND SUSTAINABLE

Self-serve design allows people to help themselves to refreshing water, at home or in commercial spaces, in an eco-friendly way.

ABOUT ELKAY

For more than 100 years, Elkay® Manufacturing has been making innovative products and providing exceptional customer care. Like your family, Elkay has values and traditions that endure. We take pride in offering reliable products that inspire change and leave the world a better place for generations to come.

Headquartered in Downers Grove, Illinois, Elkay is American owned and operated, providing thousands of jobs that support our families and communities. We are proud to be America's No. 1 selling kitchen sink company, as well as a leading manufacturer of award-winning water delivery products, including the ezH2O® bottle filling station.
